BALTIC MAN HAS ARM CUT OFF AT ELBOW IN A CORN SHREDDER

G. MILLER VICTIM OF ACCIDENT

Left Arm Drawn Into the Machine and is Horribly Mangled

WAS FEEDING A SHREDDER

Amputation Is Made By Physciains — Flesh Is Ground To Pulp

While feeding a corn shredder operated by Funk Bros. of Baltic, George W. Miller, 50 years old, living three miles west of Baltic, had his left arm drawn into the machine and the flesh and bones were ground to a shapeless mass Saturday morning at 8 o'clock. The arm had to be amputated at the elbow.

Miller was working with the operators of the machine on his own farm. The Funk men were working at another part of the machine while Miller fed the fodder into the mouth of the shredder. In some manner his hand was caught and dragged into the grinding wheels of the shredder and before the Funk men could stop the machine Miller's arm had been drawn in clear to the elbow.

Suffering excruciating pain, Miller was released from the machine and carried to his home nearby where a physician attended him. The arm was found to be in such condition that there was no hope of saving it and amputation was made.

Miller is the father of several grown children and is one of the most prosperous and best known farmers in the Baltic neighborhood. He is well known in Coshocton.

MRS BARRON DIES AFTER HARD FIGHT

Brave and Noble Woman Is Called at 9 o'clock P.M. Tuesday

A valiant struggle against the touch of death which has been noble and inspiring was lost when Mrs. Isabelle Barron died Tuesday night at about 9 o'clock at the home of her daughter Mrs. J. A. Compton at Main and Second streets. She had been ill with a complication of diseases for more than a year and during the last few months her condition had been very grave. She became worse a few days ago and Tuesday morning the relatives at her bedside realized that the end was near and although prepared for the worst the death came as a shock to them and to the woman's many friends throughout the city. Funeral services will be held Thursday.

Mrs. Barron, who was formerly Miss Isabelle Acheson, was born on Jan. 17, 1837, in Ireland, Fermanaugh county where her childhood days were spent. When she was fourteen years old she and her parents came to America settling at Meadville, Pa. When Mrs. Barron was eighteen years of age her family moved to Dresden. A few years later Miss Acheson and Oscar Barron, of Dresden, met and were married. To the union two children, Mrs. J. A. Compton, and Harry T. Barron, were born. Both live in Coshocton. Oscar Barron died sixteen years ago.

About seven years ago Mrs. Barron left Dresden and moved into her own home on North Sixth street in this city. She lived there until about a year ago when, after her health began failing, she went to live with her daughter Mrs. J. A. Compton.

Mrs. Barron was a woman to be honored and her friendship cherished by everyone. She was possessed of noble, motherly, characteristics which drew her friends close to her. Her loss will be deeply felt throughout Coshocton and Coshocton county.

The funeral services which will be conducted Thursday afternoon will be in charge of Rev. Geo. Brewer of the Presbyterian church. The body will be laid at rest beside that of Oscar Barron in South Lawn cemetery.

The assault case against Earl Miller, Ernest Schonauer and Wm. Miller was tried in common pleas court before a jury Wednesday. The case went to the jury at 3:15 this afternoon. They have not reported.

John H. Pixler was the complaining witness. It was alleged that the two Millers and Schonauer assaulted him, stoning and beating him one day last June. The case was filled with amusing features. The testimony of Minerva Miller was amusing. She became so confused she said once: "I said something but I didn't say anything."

BREWERY CONTRACT VIOLATED

Colonial Hotel Owners Made Defendants in Big Legal Battle

SOLD OTHER KINDS OF BEER?

Terre Haute Man Sues Reed For $6,717.71, Due On 28 Notes.

Crawford Fairbanks of the Terre Haute Brewing Co., of Terre Haute, Ind., has started suit against Edith Reed and Chas. Reed for the collection of $6,717.71, on a series of promissory notes given Fairbanks by the defendants between December 1, 1907 and March 1, 1910, and interest from Oct. 14, 1911.. Fairbanks alleges in his petition that the Reeds have violated the terms of their mortgage deed given as security for the payment of the money by which they agreed to sell exclusively Terre Haute bottled and keg beer.

The money loaned the Reeds was on a series of their 28 promissory notes.

Fairbanks asks that the Reed property on Chestnut street, known as the Colonial hotel, be sold and the proceeds of the sale apply as payments on the loans.

The first note was executed and delivered under date of June 2, 1906. The amount of the note was $4,000 payable to the Peoples' Banking Co. of this city. Fairbanks says he later acquired the mortgage deed on the Reed property and is now owner of it. The note bears interest at 6 per cent from October 14, 1911 and is credited with these payments: Sept 20, 1907, interest $320.69; April 12, 1909, interest $50.00; May 1, 1909, interest, $40.00. The mortgage deed was delivered to Fairbanks, he alleges, on July 25, 1911.

Besides this note he claims there is due him $1,735.87 with interest at 6 per cent. from Oct. 14, 1911 on the following notes: Dec. 1, '07, $50; Jan. 1, '08, $50; Feb. 1, '08 $100; Mar. 1, '08, $100; April 1, '08, $50; May 1, '08, $100; June 1, '08, $100; July 1, '08, $100; August 1, '08, $100; Sept. 1, '08, $100; October 1, '08, $100; Nov. 1, '08, $100; Dec. 1, '08, $100; Jan. 1, '09, $100; Feb. 1, '09, $100; March 1, '09, $50; April 1, '09, $50; May 1, '09, $50; June 1, '09, $50; July 1, '09, $50; Aug. 1, '09, $50; Sept. 1, '09, $100; Oct. 1, '09, $100; Nov. 1, '09, $50; Dec. 1, '09, $50; Jan. 1, '10, $50; Feb. 1, '10, $50; March 1, '10, $50.

T. H. Wheeler represents Fairbanks in the action.

The case is one of the biggest which has been filed in the local courts for many months. It covers 23 pages of closely typewritten legal paper.

BABY PITIFUL SIGHT WITH ECZEMA

Completely Covered. Bandaged from Head to Foot. Dared Not Wash Him. Used Cuticura Soap and Ointment 4 Weeks and He Was Cured.

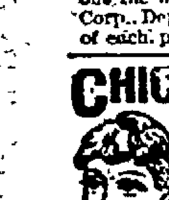

"A few days after birth we noticed an inflamed spot on our baby's hip which soon began spreading until baby was completely covered even in his eyes, ears and scalp. For eight weeks he was bandaged from head to foot. He could not have a stitch of clothing on. Our regular physician pronounced it chronic eczema. He is a very able physician and ranks with the best in this locality, nevertheless, the disease began spreading until baby was completely covered. He was losing flesh so rapidly that we became alarmed and decided to try Cuticura Soap and Ointment.

"Not until I commenced using Cuticura Soap and Ointment could we tell what he looked like, as we dared not wash him, and I had been putting one application after another on him. On removing the scale from his head the hair came off, and left him entirely bald, but since we have been using Cuticura Soap and Ointment he has as much hair as ever. Four weeks after we began to use the Cuticura Soap and Ointment he was entirely cured. I don't believe anyone could have eczema worse than our baby.

"Before we used the Cuticura Remedies we could hardly look at him, he was such a pitiful sight. He would fuss until I would treat him, they seemed to relieve him so much. Cuticura Soap and Ointment stand by themselves and the result they quickly and surely bring is their own recommendation." (Signed) Mrs. T. B. Rosser, Mill Hall, Pa., Feb. 20, '11.

Cuticura Soap and Ointment sold throughout the world. Send to Potter Drug & Chem. Corp., Dept. 29A, Boston, for a liberal sample of each, post-free, with 32-p. book on the skin.

CATARRH OF THE STOMACH

A Pleasant, Simple, But Safe and Effectual Cure for it.

Costs Nothing to Try.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure of the heart and lungs and difficult breathing, headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure of this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do, and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson, the safest and best treatment is to use after each meal a tablet, composed of Diatase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

The plan of dieting is simply another name for starvation, and the use of prepared foods and new fangled breakfast foods simply makes matters worse as any dyspeptic who has tried them knows.

As Dr. Bennett says, the only reason I can imagine why Stuart's Dyspepsia Tablets are not universally used by everybody who is troubled in any way with poor digestion, is because many people seem to think that because a medicine is advertised or is sold in drug stores or is protected by a trademark it must be a humbug, whereas, as a matter of truth, and druggist who is observant knows that Stuart's Dyspepsia Tablets have cured more people of catarrh of the stomach, indigestion, heartburn, heart trouble, nervous prostration and run-down condition generally, than all the patent medicines and doctors' prescriptions for stomach trouble combined.

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of the stomach, biliousness, sour stomach, heartburn and bloating after meals.

THEY PLAN FOR SECOND MATCH

Brannon and Smoke House Boxball Teams Will Have Another Fight.

Mose Brannon of the Shooting gallery is out for revenge and he has already issued a second invitation to the Smoke House premier box ball hurlers of whom "Polly" Powelson is in charge. "Polly" has accepted and the date will be set for some time next week. Mose claims that his men will put up a better showing than last time and "Polly" is of the opinion that no matter how good a showing they make his bunch will prove themselves superior. The outcome will be watched with great interest. The Smoke House team has been victorious in the team and individual contest. This game will give Brannons team a chance to redeem themselves.

SCOUTS WILL SEE THE SHOW

The entire body of the Boy Scouts will meet in full uniform at the home of Rev. Albus tonight at 7:15 from where they will march to the Colonial theatre to be the guests of Manager Bachman at the first performance of "The Gypsy and the Gentleman"

For the latter part of the week, beginning Thursday night Manager Bachman will have at the Colonial "Whos' Baby Are You," a musical comedy full of jokes and good singing and a clever little love mixed through the play that makes it one of the best of tabeloid stock plays. Beside the regular singing numbers, four big musical numbers will be featured, the show on first appearance promises to be one of the best Coshocton has seen at the Colonial for some time

$100 REWARD $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THE CENTAUR COMPANY, 77 MURRAY STREET, NEW YORK CITY.

Declaration of Principles

Adopted and Signed by the Citizens' League of Coshocton County.

WHEREAS, There has come about in the city and county of Coshocton a state of affairs of serious moment, involving the moral, social and economic welfare of the people of all walks of life, which condition grows out of the attempt to deal with the question of the liquor traffic under the provisions of the Rose County Option law; and

WHEREAS, The experience of the last three years of attempted prohibition has demonstrated conclusively that as a temperance measure the Rose law is a failure, impracticable and impossible of enforcement, resulting in the nefarious traffic conducted by speakeasies and bootleggers; and

WHEREAS, This three-years' era of unlicensed and unregulated underground traffic has conduced to more intemperance, immorality and lawlessness than would exist here under a system of saloon restriction and regulation, it is hereby

RESOLVED, By the persons whose signatures are hereto attached, that for public decency, sobriety and morals the regulated saloon is preferable to the unregulated bootlegger, and to the end that the blighting curse of the latter may be abolished we pledge and declare ourselves in favor of early reversal of the action of three years ago, when a majority of the electorate of Coshocton county voted, mainly as an experiment, to undertake prohibition as contemplated by the Rose law; and be it further

RESOLVED, That in the event of an election under the Rose law resulting in relief from the existing order of things, we here and now pledge ourselves, individually and collectively, to continued and aggressive support of a Citizens' League whose purpose shall be the rigid enforcement of the recently enacted Ohio statute providing for the strict regulation of the liquor traffic. A HELPFUL SHAMPOO.

Soaps, because of their "free alkali, are harsh and injurious to the scalp, and when used for shampooing rob the scalp of oil necessary to keep it and the hair in a healthy, vigorous state. A very beneficial head-wash can be made by dissolving one teaspoonful eggol in a cup of hot water. This massaged on the scalp relieves irritation, soothes and tones, and after rinsing, the scalp is clean and healthy, while the hair takes on such a silky gloss and softness that doing it up is genuine pleasure. For a quarter you can buy enough eggol at the druggist's for a dozen helpful shampoos.

ANSWERS TO QUERIES.

P. G.: Face powder is a hindrance, not an assist, to true beauty. Stop using powder for a few days, and each night apply this easy-to-prepare retiring-lotion and I am sure you will be delighted with the results: Get from your druggist two ounces amarol and dissolve in a pint hot water. Before retiring carefully bathe the face, neck and arms to remove dust and grime, then after drying apply the lotion freely, rubbing gently until it vanishes. A few such treatments will clear and cleanse the skin and give to it a delicacy and refinement that marks the perfect complexion.

Mrs. T.: Don't waste time massaging for underdevelopment, because local applications cannot get beneath the skin's surface where the fault lies; and then, too, vigorous massaging breaks down the delicate tissues and muscles. Try the Vaucarie treatment, made by disolving a cupful and a half sugar in a pint of water, then add one ounce gallol. Take of this one tablespoonful three times a day. The gallol tonic acts directly on starved tissues and glands, imparting strength and energy, and so enabling them to attain their correct growth and proportions. When this is done, hollows and scrawney lines vanish and the form grows plump and beautifully symmetrical. While gallol is a trifle expensive, it is worth many times its cost.

Mrs. G. K.: Oh, those troublesome hairs, and so annoying. I know just how you feel, but my dear you can, with a little care, rid yourself of them forever. Don't use powders or pastes or do not resort to the electric needle, but get one ounce of sulfo solution from your druggist. Apply to the bothersome hairs until they are all dissolved; now, if you will apply a little peroxide of hydrogen to the parts once a day for a few days, and rub gently with a piece of toilet pumice they will not bother you again.

O. B.: The splitting at ends and brittleness of your hair is caused by a dandruff-laden scalp, which robs hair-roots of vitality. You can overcome this with the aid of a simple, but excellent tonic, made by mixing a half-pint each of water and alcohol, then pouring into this one ounce beta-quinol. Part the hair as you pour a little on the scalp, then massage briskly until it disappears. Do this frequently for a few weeks and you will be delighted on how soft and rich the hair will become, and on how the natural color and gl is heightened.

Dora H.: Misguided efforts, though well intended, cause many complexion upsets. It is a simple matter to banish those wrinkles and give to your rough, blotchy skin a soft, velvet-like smoothness and clearness. This treatment, if kept up will bring back the blush and bloom of maidenhood to the faded cheek: First, cleanse the skin of dust and grime, then after drying carefully, apply plenty of cerol cream, and with a gentle, rotary motion, massage it well into the skin. Persevere in this treatment, and pimples, blackheads and all unnatural conditions of the skin will vanish and your complexion will be delicately beautiful. Get two ounces cerol from your druggist, and dissolve in three-fourths of a pint of boiling water, stirring until thick and smooth.

I Am Willing To Prove I Can Cure You

To That End I Am Giving Away $10,000 Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars' worth of this medicine, and anyone suffering from these diseases can get a box of it absolutely free. All that is necessary is to send me your address.

I don't mean that you are to use a part of it or all of it and pay me if cured. I mean that I will send you a box of this medicine absolutely free of charge, a gift from me to the Uric Acid sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I accept it now or later if you sent it. It is free in the real meaning of the word.

For twenty-five years—a quarter of a century—I have been trying to convince the public that I have something genuine, something better than others have for the cure of stubborn, chronic rheumatism, for torturing kidney backache, for annoying calls to urinate. But it is hard to convince people—they try a few things unsuccessfully and give up all hope and refuse to listen to anyone thereafter. Happily, I am in a position now to demonstrate to sufferers at my own expense that I have a medicine that cures these diseases. I don't ask them to spend any money to find out; I don't ask them to believe me, nor even to take the word of reliable people, but all I ask is that they allow me to send them the medicine at my own cost. That is surely fair.

To this end I have set aside ten thousand dollars, which will be used to compound my medicine. Much of it is ready now to be sent out, all of it fresh and standard. There will be enough for all sufferers, though there be thousands of them. And anyone who needs it can get some of it free. But in order that I shall know that you have a disease for which this medicine is intended, I ask you to send me some of your leading symptoms. If you have any of the symptoms in the list printed here you need my medicine and if you will write me I will gladly send you a box of it free with full directions for your use. Look the symptoms over, see which symptoms you have, then write me about as follows: "Dear Dr., I notice symptoms number"—here put down the numbers, give your age, full address, and send it to me. My address is Dr. T. Frank Lynott, 5062 Occidental Bldg., Chicago, Ill.

The ten thousand dollars I am spending for the compounding of my medicine is only a part of the money I am devoting to this cause, for the package of medicine I send you will be fully prepaid at my expense. From any standpoint you view it, YOU incur no expense or obligation. Just tell others who you know are suffering who sent you the medicine that cured you.

I am promising to give away ten thousand dollars' worth of medicine, and I will do that; I am promising to send any sufferer who writes me a box of this medicine and full directions free of charge, and I will do that.

DR. T. FRANK LYNOTT
who is giving away $10,000 worth of medicine.

I can say further that this medicine has been vouched for according to law as complying in every detail with all requirements. It will stop rheumatism, it will stop pain and backache, it will stop too frequent desire to urinate; it will heal, soothe and strengthen. You will be better in every way for having taken it. There is not an ingredient that can injure; not one but will benefit. All that I ask is that you use it yourself so that you may be personally convinced.

Owing to the large number of requests, I have had ten thousand more copies of my medical book printed. This book is new and up to date and contains complete descriptions, symptoms, causes, effects and cures of kidney, bladder and rheumatic diseases. All who write for the free medicine will be sent a copy of this grand illustrated medical book—the largest ever written on these diseases for free and general distribution.

If you need medicine such as I have, if you are anxious to be cured and don't want to spend any money LOOKING for cures, write me. Read the symptoms over and let me hear from you today.

These Are the Symptoms:

1—Pain in the back.
2—Too frequent desire to urinate.
3—Burning or obstruction of urine.
4—Pain or soreness in the bladder.
5—Prostatic trouble.
6—Gas or pain in the stomach.
7—General debility, weakness, dizziness
8—Pain or soreness under right rib.
9—Swelling in any part of the body.
10—Constipation or liver trouble.
11—Palpitation or pain under the heart.
12—Pain in the hip joint.
13—Pain in the neck or head.
14—Pain or soreness in the kidneys.

The Theatre

The theatre is first, last and nearly always a place of amusement. Nine-tenths of all the theatre goers of today go to the theatre to be entertained and for no other purpose. A part of the other tenth go to be instructed but their number is so small that it has no bearing.

Theatre patrons demand amusement and consequently the manager, playwright, producer and every exponent of the stage is constantly on the lookout for new ideas and new material. "The Cow-Boy Girl" is one of those reliable plays made famous by Messrs. Kilroy & Britton and never before seen on one night stands; with new ideas and material making a most clever production.

Abundant comedy which the patrons expect, catchy music of the kind that stamps itself in the memory and tingles pleasantly in the ear the next day, and the novel musical numbers and specialties which the latter day audiences look for in productions of this kind are all embraced in this offering.

"The Cow-Boy Girl" is not exactly a melo-drama; yet it embraces all the vigorous realism, absorbing interest and sentimental beauty of one. It is not a musical comedy, though it possesses the rollicking dash and swing of one. It stands in a class by itself, under the cognomen of "The Cow-Boy Girl." Billed to appear at the Sixth-St. theatre Saturday, matinee and night, Dec. 2.

Ladies, imperfect complexion is caused by a sluggish liver. A few days treatment with CARTER'S LITTLE LIVER PILLS will do more to clean up the skin than all the beauty creams in creation.

HELEN LOWELL

In "The Rejuvenation of Aunt Mary"

At the Sixth Street Theatre, Monday, Dec. 4th Helen Lowell, who achieved a distinctive success by her immensely funny creation of "Lizzie" in the "The Lottery Man" and as Miss Hazey in the well known "Mrs. Wiggs of the Cabbage Patch" now duplicates her success in the lovable and eccentric character of the New England Aunt Mary. It is an odd type and yet this genuine actress with an alert apprehension of humor, a subtlety in conveying it, she presents the oddity as a characteristic so vividly that the auditor recognizes the actual woman more discernibly than one might think possible. Her own personality is obscured, and her quietousness, ease, reserved repose and she rejuvenates gradually and is not intrusive, and as the play progresses she becomes brighter, more youthful by the Rejuvenation—more interesting and decidedly more attractve and convincing.

One of the season's big dramatic successes is "Along the Kennebec," which will be seen at the Sixth St. Theatre matinee and night Thanksgiving Day. The scenery for this production is said to surpass anything in the rural line ever carried by a rural production, as every scene and picture is staged with special scenery, and fine music is furnished by the company's own band. Street parade at noon.

Fills the body with warm, glowing vitality, makes the nerves strong, increases circulation, restores natural vigor; makes you feel like one born again. That's Hollister's Rocky Mountain Tea. Take it tonight.

HOW ABOUT YOUR XMAS SHOPPING?

So tired, as a rule, as the result of long hours and overwork, hundreds of clerks in the mercantile establishments of the city, large and small, are unable to get the enjoyment to which they are entitled, out of Christmas day.

The buying public is responsible. The making of purchases is put off from day to day until finally the eve of the holiday arrives. Then all is hustle and bustle. The buyer loses all the pleasure there ought to be in buying Christmas presents, and the poor clerk is worked to the limit.

Make your Christmas purchases early. If you haven't already, start in tonight.

Do unto others as you would have others do unto you.

UNION MEN NOTICE!

Machinists and other skilled laborers all know it is essential to keep their hands soft and pliable. Read what a union glass-blower, Joseph Harry, of Terre Haute, Ind., says: "I have been a glassblower for 20 years and have used hundreds of preparations to keep my hands in condition, but none of them compares with Plex. It heals soreness and burns immediately, smoothes the rough skin in one night, and keeps the hands pliable. Our house is never without Plex, and we find it handy to have around to prevent and cure croup, sore throat, catarrh or cold in the head. Before me, it is a household necessity after [illegible]

THANKSGIVING BASKET IS SENT WOMAN

Miss Caroline Boyd of South Fifth street received her annual basket filled with good things to eat for her Thanksgiving dinner Wednesday morning. There was turkey, mince pies, sauce, and everything that goes toward making up an excellent Thanksgiving dinner. The Dr. and Mrs. James F. Lee of Mt. Vernon sent the basket. Miss Boyd is remembered by the physician and his wife every year.

100 PEOPLE HEAR MEEK'S ARGUMENT

J. F. Meek and J. R. Stewart spoke to about 100 people at West Lafayette Tuesday night in behalf of the Rose law and anti-saloon league. Mr. Meek devoted a considerable portion of his time to dissecting four or five of the leaders of Coshocton retail merchants who are active in the Citizens League, in their effort to rid Coshocton county of the speakeasy and bootlegger.

There is only one way to cure catarrh.

LIQUOR CONSUMPTION

The far greater portion of Ohio, territorially, has been shown in "white" in the past three years on maps prepared by the anti-saloon league, showing that the state was almost totally "dry." It is of interest, after having let this thought sink home, to read the annual report of R. E. Cabell, commissioner of internal revenue, just made public. Among other things the report says that all records were broken in the past fiscal lear in the production of alcoholic liquors. The year's production of distilled spirits amounted to 175,402,395 gallons, nearly 7,000,000 gallons more than in the previous banner year, 1907. The production of beer, ale, etc., amounted to 63,216,851 barrels, nearly 4,000,000 barrels more than in the previous record year, 1910. The amount of liquor held in bonded warehouses for ripening, now reaches the enormous total of 249,279,346 gallons.

Ohio ranks sixth among the states in total amount of internal revenue contributed to the government, according to the report. The aggregate of collections in Ohio was $21,828,616,06. Only Illinois, Kentucky and Indiana exceed it in the production of distilled spirits, and of the total output of 183,355,527 gallons Ohio produced 10,305,038 gallons. The state ranked third, with New York and Pennsylvania ahead of it, in the production of cigars weighing more than three pounds to the 1000. Ohio's output of smokers was 651,239,317.

MANY PARTLY DISFRANCHISED

"Thousands of voters were partly disenfranshised last Tuesday by the novelty of nonpartisan candidates, in bewilderment at the array of unknown names not voting for any of them. Yet the advocates of the nonpartisan system say it is only a matter of educating the voter. As between learning to recall the names of a lot of candidates one has been persuaded to vote for and learning to look for printed names on one sheet instead of on five sheets there is the difference between a high school and a kindergarten education."—Ohio State Journal.

In this connection it may be asked: Why should a non-partisan ballot be used in a state whose government is based upon politics.

FUNNY SELFPRAISE

It would be wrong to permit Republican readers to miss all the funny items which are being sent by the Democratic organization to the papers of their party, so here is one:

"In holding and conduct of office the Democrat regards himself the agent and the voters and taxpayers the principals."

When taken with the fact the Democratic legislature added salaried positions which cost the voters and taxpayers more than $400,000 in the years 1911 and '12 for which appropriations were made, this is a joke, and it's on you.

Governor Harmon in his Thanksgiving day proclamation directs that we give thanks for what we have been spared during a year of his administration, but he furnishes no bill of particulars.

Collier's Weekly says: "We have been patient with Mr. Taft."

This bit of colossal egotism suggests that the president has been appealing to a wrong source for Divine guidance.

"Back to the people" cry the Democrats.

"Who are the people?"

"We are the people" reply the Democrats.

The president has arrayed against him all the money powers that are corrupt and the force of their attack is tremendous, but he does not falter.

Many persons now are so determined to believe that everything is going wrong that if they see an encouraging statement they say it is a lie.

No doubt Mr. LaFollette appears just as good a figurehead to the big interests as any other they could select to defeat the nomination of Mr. Taft.—Marion Star.

Aren't the Democratic reformers turning the Democratic rascals out rather slowly at Columbus? asks the Portsmouth Blade.

The only apparent function of LaFollette's Weekly is to distort political news to the damage of his party.

Will Harmon have the backbone to redistrict the state: not if one is to judge from his past performances.

WHEN WE ARE NOT YOUNG

"When we were young" we could read the papers for hours with ease. Could thread a fine needle readily. But when we are not young, we can't do it any more. Our power of nerve energy which actuates vision has lost in strength. A pair of correctly fitted glasses will do much to save your eyes for the years to come. To preserve them you need glasses now. Have them scientifically examined by a skilled, experienced specialist. The one you want to see is

INDORSE MARSHALL

Executive of Hoosier State Says He Is Willing to Run.

Indianapolis, Nov. 29.—"If Indiana wants Tom Marshall to be a candidate, then Tom Marshall will be president of the United States," said Governor Marshall, addressing the members of the Indiana state Democratic committee. Resolutions indorsing Governor Marshall for the Democratic nomination for the presidency were unanimously adopted.

Tom Taggart was at the committee meeting and, while not participating as a member, gave his hearty approval of the resolutions indorsing the governor. He stated to several members that he was for Harmon, but believed Marshall should have the delegation from his own state.

SHOWER OF GOLD FOR SEVEN BABIES
GREATEST DAY OF CONTEST SATURDAY
$50 IN GOLD OFFER, VERY POPULAR

THERE ISN'T A CONTESTANT WHO IS NOT WORKING HARD FOR ONE OF THOSE SPECIAL GOLD PRIZES SATURDAY — EXCITEMENT OVER GREAT OFFER IS INTENSE—A GREAT CONTEST IS ON FOR THE FIRST SPECIAL OF $20.00 — DON'T GET DISCOURAGED: KEEP PLUGGING——IT MAY NOT TAKE MANY NEW SUBSCRIPTIONS TO WIN A SPECIAL.

IMPORTANT ANNOUNCEMENT

FIFTY DOLLARS IN SPECIAL GOLD PRIZES will be awarded in The Age's baby contest this week. The prizes will be awarded on the merits of this week's work only.

The baby in whose name the greatest number of new subscriptions to The Age are turned in to the contest manager before nine o'clock next Saturday night, Dec. 2nd, will be awarded Twenty Dollars in gold. After the twenty dollar prize is awarded, the next three highest in each of the two districts will each receive a five dollar gold piece. On a $20 club of new or old subscriptions turned in this week, 10,000 extra free votes will be awarded. The vote standing in the paper will have nothing to do with the awarding of the special prizes. Only new subscriptions turned in this week will count on the offer. Votes will be issued on each subscription and will count just the same on the $800 in gold to be given away in four weeks. The number of subscriptions necessary to win one of the gold specials, will not be made public. The ballot of contestants need not be made public. Voting certificates will be issued on each subscription and the certificate may be held until the last night of the contest.

Saturday is Shower of Gold Day in the mammoth baby contest now being conducted by The Coshocton Age and seven sweet little tots of Coshocton county and vicinity are going to profit as a result. The conditions which will mark this special distribution of gold are simple.

It's just a matter of securing new subscriptions, and those who are really at work actively and conscientiously to win fame and fortune for their little darlings, say that this is such an easy task that it is no task at all, but rather a pleasure. As one little mother said yesterday: "I'm just getting heaps of fun out of this contest, and furthermore, it affords an invaluable test of friendship. Everybody I have approached has been most kind to me and how can I help but be encouraged when they all say they hope to see me win. My own enthusiasm and confidence seem to be contagious for it is now being reflected by my friends.

Here is a mother who is having just such an experience as the contest manager predicted. When you go among your friends asking them to aid you in your campaign for your little darling, be enthusiastic, talk with confidence of ultimate success. Don't say to your friends, "Oh, I've got no chance, but I wish you would help me anyway." On the contrary, say to them, "I'm going to win this race! I just won't be beaten." They'll respond much more quickly for your very enthusiasm and determination, will carry the day with them. Shout your confidence from the housetops spread your enthusiasm about wherever you go.

In Saturday's race for those special prizes of gold three months' subscription will count just as much as the one year subscription. Each new subscription whether for one or two years will count for one, though of course, there will be the usual great difference in the number of votes which you will be given. And don't be mislead into thinking that you will be compelled to cast the votes issued to you Saturday. You will be given voting certificates as always, and these you may withhold until the last day of the emulation if you so desire. Under the rules governing this event, the balloting is at all times secret; no one but yourself knows where you stand at any time. Because a baby's name appears far down the list it does not signify that this baby is out of the running by any means. Thousands of votes, enough to make it a leader and a probable winner, may be in the possession of its friends for al lanyone knows. It is this uncertainty that makes the contest such an interesting race.

Come in with a great big report Saturday; make the day fairly scintillate with your success. Carry away thousands of votes for your little favorite and you will be just so much nearer victory. It is a big advantage to a baby to be the winner of one of these special gold pieces for immediate atention of the public is fixed upon these winners as the probable winners in the end. We are going to announce the winners in these columns on Monday evening and you'll regret it if you don't see the name of your little darling among them. Make every moment count between now and Saturday night, you'll have until 9 p. m. in which to make your report to the contest manager. The intervening hours may spell success for you if you closely apply yourself to the task which confronts you.

EVERYONE NEEDS IT

Page & Lorenz are Having a Wonderful Sale of Thompson's Barosma, the Mighty Kidney and Liver Specific.

And no wonder, when he offers to refund your money if it doesn't cure any disease of the kidneys, liver or bladder, backache, sideache, nervousness or any weakness of the kidneys.

But Thompson's Barosma has made so many almost miraculous cures that Page & Lorenz are pretty certain not to have any returns.

Here are a few instances:

Frank K Sturges, Scurtevant, Crawford county, Pa., was cured of Bright's disease six years ago and only took six bottles. He has had no bad symptoms since.

"I had kidney trouble and enlargement of the liver and spleen. I took Thompson's Barosma. The first bottle reduced the measurement around my stomach from 45 to 36 inches, and several bottles completely cured me."—M S Langworthy, Tryonville, Pa.

After suffering the terrible agony of rheumatism for ten years, being compelled to use crutches, J. N. Dunn of Troy Center, Pa., after all hope had left him, and he had no faith in any remedy, took six bottles of Thompson's Barosma, threw away his crutches and went to work for the first time in ten years.

These statements are absolutely true, and the Thompson Medical Co., Titusville, Pa., will prove it. Then why should anyone suffer in the face of such facts? How can they suffer when Page & Lorenz guarantees to refund the money if a cure is not effected? Thompson's Barosma, 50 cents and $1.00 a bottle. All druggists.

Follow this Coshocton citizen's advice and give Doan's a chance to do the same for you.

Mrs. O. J. Case, 231 1-2 Main street, Coshocton, Ohio, says: "My experience with Doan's Kidney Pills has been so satisfactory that I recommend them strongly. My kidneys were out of order and I had backache. Doan's Kidney Pills, procured at Siegrist & Williams' drug store, gave me entire relief."

TWIN ILLS

Stomach Trouble and Bad Health How to Escape Them.

Stomach trouble and rundown system go together, usually. If you can get the system built up, the stomach symptoms disappear.

W. H. McAmis, Birmingham, Ala., says "I have suffered from stomach trouble for years but found nothing that would give more than temporary relief. My druggist said Vinol was the best thing for me to use. It gave me immediate relief, improved my appetite and digestion and now I feel that I am all through with my stomach trouble."

We firmly believe that all forms of stomach trouble due to impaired general health can be permanently cured by the use of Vinol, our delicious cod liver and iron preparation without oil. Its remarkable, tonic and strengthening effects are exactly what the weakened stomach needs. We guarantee that Vinol will do all that we claim for it and give back your money if it doesn't. Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. ELGIN BUTTER AGAIN TAKES A TURN UPWARD

An advance of two cents in the Elgin butter market late Monday afternoon was entirely unexpected and caused considerable comment among local handlers. Some did not hesitate to say that the big dealers in the larger cities are boosting the price for the purpose of unloading butter held in storage since 1910. It is hinted that they creamers butter is being forced to such a high level that consumers will be compelled to pay cheaper butter, as most of them cannot afford to pay the high figures now asked. Not in years has the price of butter been so high as at this time and conditions do not seem to justify the prices that are now being asked. The price of butter is now almost beyond the reach of the average buyer and the market continues to show an upward tendency. Receipts of butter are now larger than a year ago and there seems to be no good reason for asking the prevailing prices. Last week at New York, a total of 40,483 packages were received, against 40,813 in the previous week, 31,869 in the same week last year, and 23,139 in the corresponding week in 1909. Local dealers are not to be blamed for the higher prices, at which butter is now selling, as they are governed by the Elgin market, which establishes the price each week

"It is a pleasure to tell you that Chamberlain's Cough Remedy is the best cought medicine I have ever used," writes Mrs. Hugh Campbell, of Lavonia, Ga. "I have used it with all my children and the results have been highly satisfactory." For sale by all dealers.

FURS

For Christmas Gifts

Be Sure of Your Store

Furs are very fashionable, very handsome, very practical and a very good investment in every way. If they are of reliable quality — the skins properly treated and the garments well made.

But inferior furs masquerading as something finer are a delusion and a snare — such furs are sometimes advertised as "bargains" secured in some unreliable way.

Better go to a reputable store for your furs — a store such as this, where every piece of fur is exactly as represented, and the fur you buy is warranted to give the utmost good service for the price.

He leaves the widow and the following children: Mrs. H. A. Wisenburg, Coshocton; Mrs. J. H. Baird and Samuel T. Hoselton, of Zanesville; Charles Hoselton of Lincoln, Neb.; and William J. Hoselton of Chicago.

LITTLE INTEREST IN BEAL ELECTION

Two Ohio Towns Are Voting on Liquor Question

East Liverpool, O., Nov. 29.—Citizens of this city and Wellsville are today battling with ballots to determine the legal status of saloons within their borders for the next two years. The election is being held under the provisions of the Beal law.

Indications point to a comparatively small vote will be cast. Efforts of both organizations in the two cities will be concentrated in getting out a full vote. Compared with the Rose county option fight of Nov. 2, the interest is slight.

Both Ready For Fray.

Marysville, O., Nov. 29.—The rumor that the wets in Union county purpose to circulate a petition for an election under the Rose law has aroused the temperance forces in every precinct in the county. A meeting was held in the courthouse to arrange for a vigorous campaign.

Tuscarawas Wants to Vote.

Canal Dover, O., Nov. 29.—A petition for a wet and dry election was filed here. It bore 5,852 signatures, though but 4,200 were required. Tuscarawas county voted dry in November, 1908, putting 97 saloons out of business.

Jefferson Wets File Petition.

Steubenville, O., Nov. 29.—The Business Men's league of Jefferson county filed a petition for a local option election bearing 5,562 names. Three years ago the county went dry by a majority of 1,800.

Welcomes Saloons.

South Bloomfield, O., Nov. 29.—Voting under the Beal law, this village decided to put in saloons. The wets cast 51 votes and the drys 11. The village heretofore has been dry.

A BRAIN WORKER

Must Have the Kind of Food That Nourishes Brain.

"I am a literary man whose nervous energy is a great part of my stock in trade, and ordinarily I have little patience with breakfast foods and the extravagant claims made of them. But I cannot withhold by acknowledgement of the debt that I owe to Grape-Nuts food.

"I discovered long ago that the very bulkiness of the ordinary diet was not calculated to give one a clear head, the power of sustained, accurate thinking. I always felt heavy and sluggish in mind as well as body after eating the ordinary meal, which diverted the blood from the brain to the digestive apparatus.

"I tried foods easy of digestion, but found them usually deficient in nutriment. I experimented with many breakfast foods and they, too, proved unsatisfactory, till I reached Grape Nuts. And then the problem was solved.

"Grape-Nuts agreed with me perfectly from the beginning satisfying my hunger and supplying the nutriment that so many other prepared foods lack.

"I had not been using it very long before I found that I was turning out an unusual quantity and quality of work. Continued use has demonstrated to my entire satisfaction that Grape-Nuts food contains the elements needed by the brain and nervous system of the hard working public writer." Name given by Postum Co., Battle Creek, Mich.

"There's a reason," and it is explained in the little book "The Road to Wellville," in pkgs.

MULVEY GIRL STUDIES LAW

Daughter of Popular Zanesville Salesman to Hang Out Shingle

Zanesville, Nov 29.—Zanesville has a girl law student. Miss Margaret Mulvey, daughter of Jack Mulvey of Elberon avenue, who expects to hang out her shingle in about three years, perhaps in Zanesville.

Miss Mulvey is now located in Attorney A L Jones' office in the Southard building and is delving deep into Blackstone for many hours a day. She is also engaged in stenographic work to help pay expenses.

The girl law student took a year's arts course at Ohio State university last year, and then decided to get some practical law experience in an attorney's office here. Next year she will enter the law department at O. S. U. and expects to graduate in two years.

Miss Mulvey will be the only woman lawyer in Zanesville when she graduates. "I just don't know how I decided to study law," said Miss Mulvey yesterday, "but now that I have started it, I am going through with the project."

Miss Mulvey has several friends in Coshocton among the younger set. She has visited here on several occasions. Her father, Jack Mulvey is one of the most popular traveling salesmen that "make" Coshocton. Mulvey comes to Coshocton two and three times every week.

A CERTAIN CURE FOR CATARRH

The mucous membranes of the nose and throat are exposed to the irritating influence of dust, impure air, etc., and for this reason are the places Catarrh usually first manifests itself. But these are simply exciting causes, the inflammation and discharge being really produced by an impure and vitiated condition of the blood. It is well enough to use some local treatment to cleanse these membranes, but any one can readily see that if the inflammatory matter is left in the blood, such treatment cannot possibly have any permanent effect. S. S. S. cures Catarrh by purifying the blood of all impure catarrhal matter and irritating germs and at the same time builds up the system by its fine tonic effects. When S. S. S. has purified the blood, the mucous surfaces are all nourished and made healthy. There can be no inflammation of the membranes then, because the blood is pure, and every tissue receives nourishment instead of irritating matter. Our book on Catarrh will give proper advice as to what is best to use as a local aid while S. S. S. is purifying the blood. This book is free, also any special advice you may feel you need. S. S. S. is sold at drug stores.

The Candles on the Christmas Tree

Often mean candles on the altar before the week is over.

The Christmas tree is more effective, more beautiful and ABSOLUTELY SAFE when lighted with strands of our miniature electric lights. Come in and let us tell you all about it: how we can take the anxiety away from your Christmas celebration, by lending you strands of various colored lights for the Xmas tree, either at your home or at the church. No job too large, none too small. The twentieth century Christmas does away with the dangerous candles and uses electricity.
